Effective date: May 29, 2019

We will not send you text messages without your consent. Text messages are not confidential-anyone who uses your cell phone or who has access to it might see the text messages. Communication service providers used by you or Laundry Peeps may also be able to see these messages. Text message charges may apply depending on your text message plan. Therefore, Laundry Peeps will not send you text messages without your permission.

By agreeing to text messaging, you are authorizing Laundry Peeps to send you text messages regarding appointments, renewals and other information pertaining to your service. You may stop this service by emailing Laundry Peeps at info@laundrypeeps.com or calling 303-548-5365.
